

Nechi Institute: Centre of Indigenous Learning Present's PHARMACOLOGY Three Day Training

This course discusses the systemic signs and symptoms, causes and effects, progression and behavioral aspects of alcohol and drug abuse from an Indigenous spiritual and post-colonial perspective. Students will also examine the pharmacology of drugs and related addictive substances, including their classification and effects. Students will further have knowledge and a basic understanding of the **pharmacology** of psychoactive drugs.

This course is certified by Canadian Council on Professional Certification (CCPC) and International Certified Alcohol and Drug Counsellor (ICADC).
