

Nechi Institute Present's: Addictions & Substance Abuse

Course Description:

This course will provide participants with knowledge to understand the process of addictions and substance abuse. The symptoms and physical effects of alcohol and drug abuse will be explored. Participants will become aware of the categories of drugs. Enroll in Nechi's Addictions & Substance Abuse specialty training and earn 3 credits toward Nechi Institutes Indigenous Addictions Services 1 Year Certificate.

Learning Outcomes:

By the end of this course, participants should be able to:

- Define the addiction process;
- Name different types of substance abuses and the processes related to them;
- Describe reasons why people use substances or engage in dangerous behaviours;
- Explore Indigenous ways of being to help heal addictions and eliminate substance abuse;
- Identify the major categories of drugs;
- Research positive transformative healing practices with addictions; and
- Utilize the medicine wheel research guide to create an assessment to use when observing addictions and substance abuse.

Professional Certification:

This course is accredited for 40 hours of study.

COURSE DATES: November 25 – 29, 2019
